What is the Planning Commission?

The Mason County Planning Commission is a citizen advisory commission that is appointed by and advisory to the Mason County Commission on the preparation and amendment of land use plans and implementing ordinances such as zoning.

- The actions tonight are not final decisions; they are Commission recommendations to the Board of County Commissioners who must ultimately make the final decision. If you have any questions or suggestions on ways the Planning Commission can serve you better, please contact the Planning Office at 360-427-9670.

Americans with Disabilities Act (ADA) accommodations will be provided upon request, with reasonable, adequate notice.
