

BOARD OF MASON COUNTY COMMISSIONERS' BRIEFING MINUTES

Friday, April 19, 2013

11:45 A.M. Meeting with Department of Ecology
Commissioners Neatherlin, Sheldon and Jeffreys met with Department of Ecology Director Bellon and staff at Senator Sheldon's office, Legislative Building, Room 312, Olympia, WA. Also in attendance was Brian Matthews and John Cunningham from Public Works and Jerry Ekenrode from KMAS radio.
The meeting was called to discuss financing for the Belfair Sewer. It was suggested that Mason County hire the Rural Community Assistance Corporation (RCAC) to conduct a specific income survey of the Belfair Sewer service area to determine the median household income of the area. Depending on the hardship level, some of the loan money may be able to be turned into grant money. It is estimated the survey would cost about \$6,000. The meeting was from 11:45 a.m. to 12:30 p.m.

Respectfully submitted,

Diane Zoren, Assistant to the Commissioners
