

MASON COUNTY COMMUNITY DEVELOPMENT

Permit Assistance Center, Building, Planning

RECEIVED:

PERMIT NO.: _____

SHORELINE EXEMPTION APPLICATION

Shoreline development in Mason County must conform with the Mason County Shoreline Master Program. The program requires that substantial development (any development of which the total cost or fair market value exceeds \$8,504.00 or materially interferes with the normal public use of the water or shorelines of the State) be reviewed with the goals, policies, and performance standards established in the Master Program.

New or expanded docks or beach access structures will likely require a substantial development permit instead of a shoreline exemption. Consult with a Mason County Planner.
