

Board of County Commissioners Public Comments/Testimony Via Zoom

- Anyone from the public can give public comment or public testimony during that period of the meeting. You will have THREE MINUTES to speak. Please begin your comment with your name and address.
- If you would like to speak, please indicate that by digitally raising your hand in the Zoom meeting. To do so, click the hand icon at the bottom of your Zoom screen. If you are calling in, dial *9 and the staff will see your hand “raised”.
- The Chair will read your username or last three digits of your phone number when it is your turn to speak.
- If your video is on, everyone in the meeting will be able to see you. If your video is turned off or you are on a phone connection, we will only be able to hear your comments.
- We will work through the list of raised hands and then close the Public Comment or Public Testimony period.
- If you haven’t already, please raise your hand now if you would like to give Public Comment or Public Testimony.
