RE: Belfair SR3 Special Road Project Advisory Committee

The county has adopted a Belfair-SR3 Special Road Project (SRP) which will bring sanitary sewer, major road improvements to SR-3 and storm water improvements to the heart of Belfair. Combined with a pedestrian plan and landscaping, this project will dramatically impact the face of Belfair.

The county is seeking volunteers who would be willing to serve on a citizen committee to support the implementation of this project. To be a volunteer for the committee you must reside in, own property, operate a business or work within the Belfair Urban Growth Area (UGA).

Please contact the Commissioners office at (360)275-4467, ext. 419 for an application or visit our website at www.co.mason.wa.us. The completed application must be returned to the Commissioners' office by May 28, 2004.
