RE: Public Works Department

Mason County is pleased to announce that Bill Tabor has been appointed to serve as the Mason County Road Engineer effective November 9, 2004.

Bill was appointed as Acting Public Works Director/County Road Engineer on April 26, 2004 due to a vacancy in that position. After conducting an executive search and interviewing several applicants, it was decided to appoint Mr. Tabor as the Mason County Road Engineer and Charlie Butros as Mason County Public Works Director.

Both Bill and Charlie currently work in the Mason County Public Works Department and we are confident this new management team will continue to serve Mason County well.
