RE: Mason County Parks beneficiary of the Estate of Jonathon P. Henderson

Mason County Parks and Trails Department would like to announce that the department has received a gift in the amount of \$72,288.27 from the Estate of Jonathon P. Henderson. The gift was made with the expressed interest that the funds be used for the purpose of “developing and maintaining Truman Glick Park.” Truman Glick Park is located in the western section of Mason County near Matlock.

Mr. Jonathon P. Henderson was a resident of Pierce County and he frequently visited Truman Glick Park. He thought the park was a beautiful and special place and decided to dedicate a portion of his estate for the future development and maintenance of the Park. Mason County Parks is extremely thankful for Mr. Henderson’s gift to Truman Glick Park.

Mason County has a number of potential capital improvement projects scheduled for Truman Glick Park in the future, including: ADA improvements, lawn irrigation, children’s play equipment, and a small tent camping area for group activities at the park.

If anyone has any questions about Truman Glick Park, please contact John Keates at Mason County Parks, 427-9670, ext. 669 or by e-mail, johnk@co.mason.wa.us
