RE: Webb Hill Biosolids Facility Hydrogeologic Investigation – Open House

The Mason County Commissioners would like to invite interested citizens to an Open House to discuss the results of the Webb Hill Biosolids Facility Hydrogeologic Investigation – Phase 1 recently completed by Aspect Consulting on behalf of Water Resources Inventory Area 16 (WRIA 16).

The Open House will include representatives from Mason County Public Health, Department of Ecology, WRIA 16, and Webb Hill Biorecycling. A short presentation explaining the findings in the Report will be made, followed by time for questions and answers. Additionally, representatives will be available to respond to specific individual questions. Come to the Open House to learn more about what the report says and plans to respond to the findings in the report.

The Open House will be held from 4:30 PM – 7:00 PM on Thursday, November 1, 2007 in the Great Hall at Harmony Hill. Driving directions can be found at the following URL: www.harmonyhill.org/about/getthere.html.

The Webb Hill Biosolids Facility Hydrogeologic Investigation – Phase 1 report along with Frequently Asked Questions can be found on the Mason County web site: www.co.mason.wa.us. For more information, please call 427-9670, X546.
