RE: Increased Recycling Opportunities

Mason County Utilities and Waste Management has partnered with Mason County Garbage and Recycling to expand our recycling opportunities in the community. As of today, there will be a partial bluebox recycling bin at the Park and Ride at the corner of Highway 3 and Pickering Road. While this is not a full service site, we will be able to accept newspapers, magazines, mixed waste paper, tin and aluminum cans, as well as glass and plastic bottles. Please take advantage of this program by recycling responsibly.

For more information about recycling in Mason County, check out the Utilities section of our Web site, at www.co.mason.wa.us, or call 427-7771, or from Belfair, 275-4467 x771.
