**RE MOST COUNTY ROADS TO BE RESTRIPED IN THE MONTHS OF JULY AND AUGUST**

The County Public Works Department would like to notify motorists that restriping on many major County arterial roads in Shelton will be in progress during the months of July and August (weather permitting).

Most of our County Roads are restriped every year to improve deteriorated night reflective striping. This year, Road Runner Striping Incorporated out of Puyallup, Washington has been contracted to complete this project.

During the restriping, delays should be expected. Motorists are advised to use caution while driving through the work area and not to cross the painted lines.

The County appreciates motorist taking extra care while striping is in progress.

For a complete list of County road being restriped please visit the County Web site at [www.co.mason.wa.us](http://www.co.mason.wa.us) or call the Public Works Department at (360) 427-9670, Ext. 450.
