RE: ADAGE Permit Applications and SEPA Documents Available

Mason County has recently received applications for a Special Use Permit and a Mason Conditional Environmental Permit together with a SEPA checklist from ADAGE Mason LLC. In response to community interest in this project, these documents are available for review through the Mason County website by selecting the Community Development homepage. Copies of the documents will also be available at the Hoodspout, Shelton and Belfair Timberland Libraries. Release of the SEPA documents at this time is not part of the official public comment period, which will begin once the County has made a determination. Notice of the County's determination will be posted and published, as well as provided by mail to individuals who have requested to be placed on a notification list. Anyone wishing to be added to the notification list should provide their name and address to Barbara Adkins at 427-9670, ext 286 or by email at Barbara@co.mason.wa.us.

Questions regarding the permitting or SEPA process can also be directed to Ms. Adkins. Specific questions regarding information contained within the permit applications or the SEPA documents can be directed to the ADAGE office located at 1620 Olympic Highway North, Suites 4 and 5 in Shelton. Their office hours are Monday from 1:00 p.m. to 5:00 p.m. and Tuesday through Thursday from 10:00 a.m. to 5:00 p.m., closing from 12:00 to 1:00 for lunch. They can also be reached by phone at (509) 713-0467.
