RE: Transportation Improvement Program Citizens Advisory Panel

Mason County is seeking citizen volunteers to serve on the Transportation Improvement Program Citizens Advisory Panel (TIP-CAP). The TIP-CAP will review and analyze Mason County's transportation needs and present their proposed transportation improvement plan to the Board of Mason County Commissioners. Members serve a two year term, with the first meeting in January 2013.

The Board of Mason County Commissioners will use the transportation improvement plan developed by the TIP-CAP as one tool in planning road construction and other transportation projects for the next six years.

Mason County invites all interested citizens to apply. The intent is to form a team that represents a wide cross-section of Mason County's population.

Interested persons may apply by obtaining an application from the Mason County Commissioner's office, 411 North 5<sup>th</sup> Street, Shelton or by calling (360) 427-9670, ext. 419 or from the County website [www.co.mason.wa.us](http://www.co.mason.wa.us). Applications will be accepted until December 7, 2012.
