RE: Mason County Parks and Trails Department announces a major sponsorship from Fred Meyer to support MCRA Park in 2012.

Mason County Parks and Trails Department would like to announce that the department has received a major sponsorship commitment in the amount of \$8,000 from Fred Meyer, which will be used to supplement maintenance funding at MCRA Park in 2012. The sponsorship was made with the expressed interest that the funds be used for the purpose of "operation and maintenance expenses for the Mason County Recreation Area - MCRA." MCRA Park is located at 2100 East Johns Prairie Road, just outside of Shelton and is the County's highest attended park site.

County staff contacted the Fred Meyer Stores Philanthropy Coordinator to inquire about possible sponsorship assistance for the 2012 season. The County was informed of the pledge for \$8,000 for this season. The County intends to use the funding to supplement the maintenance program.

Fred Meyer has a strong sense of community and is happy to be able to step in and provide assistance and support during these challenging economic times, not only assisting the County and the youth and adult ball players and the citizens and visitors of Mason County.

If anyone has any questions about the MCRA Field sponsorship, please contact John Keates at Mason County Parks, 427-9670, ext. 669 or by e-mail, johnk@co.mason.wa.us
