RE: Mason County Parks and Trails Department announces an extension to closure of the skatepark

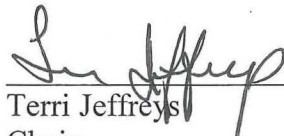

Mason County Parks and Trails Department has been performing maintenance on the skatepark and is announcing an extension to the temporary closure of the park. The closure went into effect Friday, August 22nd and is expected to last through the end of October. The skateboard facility is located at 110 Wallace Kneeland Park – next to the Shelton Wal-Mart store.

County staff encountered more maintenance work than what was originally anticipated, which will require additional time to address and repair.

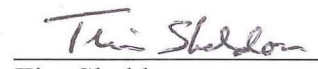

During the closure the County requests that users please not utilize the skatepark. The public's cooperation will be greatly appreciated during this closure.

If anyone has any questions about the Skateboard facility maintenance, please contact John Keates at Mason County Parks, 427-9670, ext. 669 or by e-mail, johnk@co.mason.wa.us
