RE: Free Christmas Tree Drop Off and Recycling at Shelton Transfer Station and Belfair Drop-off Facility

Mason County announces free Christmas tree recycling available at the following locations during January 2016:

- Shelton Transfer Station located at 501 West Eells Hill Road in Shelton, business hours are Monday through Saturday from 8am to 4pm
- Belfair Solid Waste Drop Off Facility located at 2001 NE Sand Hill Road in Belfair, business hours are Tuesday and Saturday from 9 am to 4pm

Residential utility customers of the City of Shelton may place their Christmas trees at their regular garbage pick-up location by January 5th, for City staff to collect the trees between Monday, January 4th and Friday, January 8th.

Mason County Garbage and Recycling will pick up Christmas trees at customers' regular pick-up site. All trees must be cut into thirds and an additional pick-up fee between \$4.10 and \$4.95 will apply.

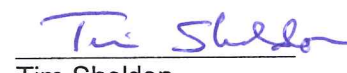

Additional free Christmas tree recycling is offered by:
Mason County Wood Recyclers, 360-432-9222
North Mason Fiber, North County, 360-275-0228
McTurnal Landscaping, South County, 360-432-0971
Brady Trucking, Shelton, 360-426-0700

Please note that all trees dropped off for free recycling at these facilities must be free of tinsel, decorations, and flocking. Wreaths and garlands will not be accepted for free recycling since these items contain wires and can therefore not be recycled.
