RE: Pacific Mountain Workforce Development Board of Directors Recruitment

Mason County is seeking nominations from local business and trade associations to fill three business representative positions on the Pacific Mountain Workforce Development Council (WDC). Applicants must be in a position of leadership within their business and the process requires a nomination by a trade/industry business organization, such as a Chamber of Commerce or Economic Development Council.

The WDC is responsible for workforce development in the five county areas of Grays Harbor, Lewis, Pacific, Thurston and Mason Counties. The WDC is led by a dedicated group of labor, business and community leaders focused on the mission to build community prosperity.

Currently the WDC meets monthly with meetings normally lasting two to four hours. Members are on a voluntary, non-salaried basis, but may receive reimbursement for travel expenses.

A complete description of duties, responsibilities and board member application can be found at: <http://www.pacmtn.org/board-members/>
