RE: EMERGENCY ROAD CLOSURE: ST. ANDREWS DRIVE

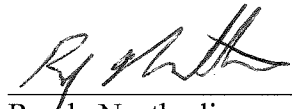

Mason County Public Works Department has begun emergency road repairs on St. Andrews Drive located in the Lake Limerick Community. A cross culvert under the roadway at approximately milepost 1.72 (near the intersection of Way to Tipperary) failed during the recent storm event and resulted in a road closure from approximately 1.70 to 1.73.

The new culvert is scheduled to be delivered on Wednesday, November 18th and will be installed shortly thereafter. We anticipate the road to reopen to the public by Friday, December 4th, but will be weather dependent to any other large storm events that may delay the project.

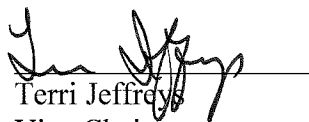

Thank you for your patience while this roadway is closed.

If you have any questions about the County Road Project, please contact Public Works at (360) 427-9670, 275-4467, or 482-5269, Ext. 450.
