

RESOLUTION NO. 477-A

WHEREAS, the purchase of a new 4-door sedan is programmed for purchase this year, and

WHEREAS, the automobile slated to be replaced has a major fundamental engine breakdown which is economically unfeasible to repair, and

WHEREAS, the automobile is needed immediately for the daily business of the Right-of-Way-Utility Agent.

NOW, THEREFORE, BE IT RESOLVED that an unforeseen emergency does exist, and the County Engineer is authorized to negotiate for the purchase of one (1) 4-door intermediate size sedan.

DATED this 3rd day of February, 1975.
