RESOLUTION NO. 538

WHEREAS, by Resolution No. 381, the Board did establish a certain table of charges for solid waste handled by the Mason County Solid Waste Disposal Landfill, and

WHEREAS, upon the initiation of collection services at three outlying stations, Belfair, Union and Hoodsport, to serve householders in those areas, said charges were amended by Resolution No. 453, and

WHEREAS, operational costs for the Central Landfill have been greater than originally estimated, and

WHEREAS, the cost of transport from the outlying collection stations is placing an additional financial burden on the County, and

WHEREAS, under the existing table of charges the charge for the dumping of household waste is but a fraction of the like charge imposed upon bulk haulers.

NOW, THEREFORE BE IT RESOLVED that in order to defray in part the added cost of operation and to remove in part the disparity between charges made for depositing household wastes as compared with charges to bulk haulers a revised schedule of charges for solid wastes, superseding schedules set forth in Resolutions No. 381 and 453, is hereby adopted as set forth in the following table of charges to be effective September 18, 1975 at the central landfill and at the outlying collection stations:
