

RESOLUTION NO. 761

WHEREAS, in the interest of safety and in conformance with procedures adopted by the Washington State Association of Counties, Mason County makes periodic inspections of bridges on the County Road System, and;

WHEREAS, inspection of the Palmer Bridge #0165-3.17 has been complete and reveals that the south log abutment is deteriorating and allowing the south end of the bridge to settle, such that the bridge cannot be certified as safe for all legal highway loads.

NOW, THEREFORE BE IT RESOLVED that the gross load on bridge #0165-3.17, Palmer Bridge over Dry Bed Creek, be limited to 10 tons for a period of two (2) years unless this Board shall, by appropriate action based upon proper certification, modify or remove such restrictions.

BE IT FURTHER RESOLVED that the County Engineer shall post said bridge with the load limit as set forth herein. Violation of this load limit constitutes a misdemeanor in accordance with RCW 26.75.270.

DATED this 31st day of May, 1977.
