Resolution No. 23-81

A RESOLUTION CREATING AND ESTABLISHING A TRAFFIC SAFETY COMMITTEE FOR MASON COUNTY

Whereas, it is recognized that an official Mason County Traffic Safety Committee would assist in the research, development and implementation of traffic safety programs for the entire county, and

Whereas, representation from government and the private sector of the County would provide desirable coordination and communication in solving county-wide traffic safety problems, Now Therefore

Be It Resolved that the Mason County Board of Commissioners hereby establishes a Traffic Safety Committee for Mason County and be it further resolved that the Board establish a membership representative of Engineering, Enforcement, Education, Emergency Services, Fire Services, Emergency Medical Services, Courts and the Public at Large.

Done in regular session this 6th day of April, 1981.
