

RESOLUTION NO. 15-87

WHEREAS, a petition was received from Fire Protection District #5 for withdrawal of a half section of land;

WHEREAS, two notices of public hearing were published in the Shelton-Mason County Journal on February 19 & 26, per RCW 57.28.070;

WHEREAS, the findings in reference to RCW 57.28.080 are as noted below:

1. The territory to be withdrawn is presently covered for fire protection by the Department of Natural Resources.
2. There will be no change of benefit to the above mentioned parcel.
3. Since that parcel of land being withdrawn is the only parcel in Fire District #5 which is also in the Skokomish Flood Control District, it greatly affects District #5 tax revenues because of the \$9.15 tax limitations.
4. It appears that such territory to be withdrawn was not improvidently included in the fire district at the time of annexation.

NOW, THEREFORE BE IT HEREBY RESOLVED, that the N 1/2 Section 18, Township 21 North, Range 3 West be removed from the boundaries of Mason County Fire Protection District #5.

DATED this 27th day of February, 1987.
