**NOW, THEREFORE, BE IT RESOLVED** by the Board of County Commissioners for Mason County as follows:

1. The Board of Mason County Commissioners finds that it is in the public interest to create LMD No. 1, and that the financing of the lake improvements and maintenance activities within LMD No. 1 as described herein is feasible.
2. Pursuant to RCW 36.61.070, the Board of Mason County Commissioners hereby submits the question of creating Lake Management District No. 1 to the owners of land within the proposed boundaries of LMD No. 1 for Island Lake.
3. The nature of the lake improvement or maintenance activities proposed is application of the aquatic herbicide, into the lake by a licensed professional under permit issued by the Washington Department of Ecology to eradicate Eurasian Watermilfoil, followed in subsequent years with underwater surveys and spot treatment for as long as adequate funding remains.
