

RESOLUTION NO. 21 -01  
RESOLUTION OF INTENTION TO ESTABLISH COUNTY ROAD

WHEREAS, on Tuesday, February 27, 2001, in conformance with RCW 36.81.010, the Board of County Commissioners entered upon their Minutes a motion declaring their intent to establish as a County Maintained Road, Rasor Road, County Road Number 62400. The west end of the Rasor Road intersects with Trials End Drive, County Road No. 62470, and has a traffic count of nearly 100 vehicles per day. Bringing the proposed section of this road into the system would provide maintained service for the bulk of the platted development which has occurred within the last five to six years. There are currently physical and natural barriers preventing traffic from continuing beyond this mile post. This section of road would be maintained as a primitive road approximately 2.31 miles long, beginning at the intersection with Trails End Drive and ending at a turn around 2.31 miles to the northeast. Said road located in Sections 13, 23, 24 & 26, Township 22 North, Range 2 West, W.M.

NOW THEREFORE, BE IT RESOLVED that the proposed county road is a public necessity, and that the County Engineer be directed to report thereon, and the Clerk of the Board shall fix a time and place for hearing the report as required by statute, and that the Prosecuting Attorney be requested to review and give approval to the steps herein ordered.

DATED this 27th day of February, 2001.
