

RESOLUTION 71-01
Timber Analyst/Coordinator

WHEREAS, counties with federal timber resources desire assistance regarding the implementation of PL 106-393 and in relations with the U.S. Forest Service; and

WHEREAS, there is a need to provide staff support to the county representatives on the Board of Natural Resources and the Forest Practices Board; and

WHEREAS, counties have participated in the past and wish to participate more fully in the future in Timber Fish Wildlife; and

WHEREAS, counties with state trust lands have expressed the desire to monitor implementation of the Habitat Conservation Plan for DNR trust lands; and

WHEREAS, there are increasing opportunities to provide technical support to WSAC policy staff working on timber issues and watershed management, particularly in forested watershed management; and

WHEREAS, the Timber Counties of Washington in a meeting on June 14, 2001 voted to recommend that each county with state or federal timber revenue contribute to fund this position,

NOW THEREFORE, BE IT HEREBY RESOLVED that Mason County commits to provide funds to the Washington State Association of Counties for a Timber Analyst/Coordinator in the amount of \$1002-1025 (the specified amount to be determined after the allocation method for PL 106-393 funds is chosen) annually, adjusted for inflation, for the remaining five years of the PI 106-393 project authority.

Dated this 17th day of July, 2001.
