

RESOLUTION NO. 123-07
ENVIRONMENTAL HEALTH FEES

WHEREAS, the provision of public health services and activities within Mason County requires the collection of fees to compliment other sources of revenue,

WHEREAS, it is the role and responsibility of Mason County Board of Commissioners to set policy for Mason County Public Health concerning the funding of public health programs and activities in Mason County and to set fees accordingly,

WHEREAS, a public hearing was held at the October 23, 2007 Mason County Board of Health meeting to take public testimony and to deliberate on the appropriate fees for public health goods and services, and the proposed Environmental Health Fees for 2008 were approved by the Mason County Board of Health on October 23, 2007,

WHEREAS, a public hearing was also held by the Mason County Board of Commissioners on November 20, 2007 to take public testimony on the proposed Environmental Health Fees for 2008,

NOW THEREFORE, IT IS ESTABLISHED THAT Mason County Public Health, Environmental Health Fees are amended for 2008 as shown in Attachment A, effective January 1, 2008.

IT IS FURTHER ESTABLISHED THAT Mason County Public Health, Environmental Health, Fees will be increased each year thereafter by the amount of the July to July Consumer Price Index (CPI U) for the Olympia Metropolitan Area with a maximum increase of 3.5%. Prior to setting fees for the year 2009, this fee schedule and the adjustment mechanisms shall be evaluated by the department and the Board of Health including input from stakeholders.

APPROVED this 20th day of November 2007.

Attachment "A"
Environmental Health Fees for 2008

The fees contained in this fee schedule shall be automatically adjusted each January 1 by the percentage increases, if any, in the June Consumer Price Index for the previous year, with a maximum increase of 3.5%. If the automatic fee adjustment would cause any fee to exceed the cost of providing services, that fee will only be increased to the dollar amount corresponding to the actual cost of providing the services. "Consumer Price Index for the purposes of this section shall mean the US Department of Labor, Bureau of Labor Statistics Consumer Price Index (CPIU) for metropolitan Olympia. Prior to setting fees for the year 2009, this fee schedule and the adjustment mechanisms shall be evaluated by the department and the Board of Health including input from stakeholders.

Note: Any work that requires a permit from Environmental Health being done without a permit will be subject to a penalty of a double permit fee and additional inspection fees where applicable.
