**RESIDENTIAL BUILDING PERMIT FEE INFORMATION  
EFFECTIVE: January 1, 2008**

Please use this guide to determine the **approximate** cost of your residential building permit. On the back of this page you will find a valuation table. This table shows the permit fee and plan review fee based on the valuation of your proposed building. The Building Permit Fee is based on Table 1-A of the 1997 Uniform Building Code and the Plan Review Fee is 65% of the Building Permit Fee. The plan check fee will be collected when the building plans and applications are submitted. In addition to the plan check fee, there is a Planning Department Review Fee (\$190.00 – residential/\$310.00 – commercial) due upon submittal. The building, and other permit fees, will be collected when the permit is issued.

Once you have calculated the square footage of your building, use the following categories to determine the project valuation. Multiply the square footage by the cost per square foot (listed to the right of each category).

Type of Construction	Cost per Square Foot
Residential / Basement	\$ 76.65
Basement (semi-finished/unfinished)	\$ 37.70
Garage / Storage Building	\$ 27.66
Carport / Covered Deck	\$ 19.05
Deck (uncovered)	\$ 13.40
Manufactured/Modular Homes are a flat fee of <b>\$494.00</b> . There is a 50% application fee of <b>\$247.00</b> due upon submittal, which is applied to the total fees when the permit is issued.	

Here is an example: The proposed building is 1200 square feet with a second story of 400 square feet, a garage of 500 square feet, and a 160 square foot deck. **(Using 10% increase)**

Valuation Calculation	Cost per Sq. Ft.	Valuation
Residence	1600 x \$ 76.65 =	\$ 122,640.00
Garage	500 x \$ 27.66 =	\$ 13,830.00
Deck (uncovered)	160 x \$ 13.40 =	\$ 2,144.00
	<b>Total Valuation</b>	<b>\$ 138,614.00</b>
Refer to the valuation table. For the range \$138,001.00 to \$139,000.00, the permit fee is <b>\$1212.15</b> and the plan review fee is <b>\$787.90</b> .		

- For projects with valuations that exceed \$229,000.00 please refer to the 1997 UBC Code Table 1-A.
- For plumbing and mechanical fees, please refer to the attached tables.
- For additional fee information on projects not listed above, please contact the Mason County Department of Community Development at (360) 427-9670 ext. 352.
