

**RESOLUTION NO. 100-09
BRIDGE LIMITS**

WHEREAS, in conformance with procedures adopted by the Washington State Association of Counties, and in the interest of safety, Mason County makes periodic inspections of bridges on the County Road System; and,

WHEREAS, inspection and evaluation of Mason County bridges was completed in May, 2009; and

WHEREAS, such inspection has determined that four (4) bridges of Mason County's fifty-eight (58) bridges cannot be certified as safe for all legal highway loads, and,

WHEREAS, such inspection as determined in by a private consultant, two (2) bridges of Mason County's fifty-eight (58) bridges have suffered structural deterioration requiring load rating adjustments, and,

WHEREAS, such inspection conducted after the December, 2007 storm has determined that one (1) bridge of Mason County's fifty-eight (58) bridges have been washed out, and,

NOW, THEREFORE, BE IT RESOLVED, that the lane limitations, closure and load limits be posted to control traffic on the bridges, as listed below, for a period of one (1) year, unless the Board shall, by appropriate action based upon proper certification, modify or remove such restrictions.
