

RESOLUTION NO. 78-09

A RESOLUTION establishing new operational schedule for hours open to the public at the Shelton, Union, Belfair and Hoodspout solid waste and recycling collection and transfer sites.

WHEREAS, Mason County operates four solid waste collection and transfer stations throughout the county.

WHEREAS, because of the economic slow down affecting the County has adversely impacted the flow of material to the landfill by at least 12%; and

WHEREAS, the recently passed ordinance that requires additional solid waste recycling collect will likely further the amount of material arriving at the four sites, and

WHEREAS, this reduction in waste has created a short-fall in the collection of revenues to operate the four solid waste facilities to a degree that the 2009 budget may not be balanced, and

WHEREAS, the 2009 and subsequent year budgets must be balanced to meet State Law that requires that enterprises funds such as the solid waste utility must be balanced.

NOW, THEREFORE BE IT RESOLVED by the Board of County Commissioners for Mason County that the following changes in operations will be implemented at the four solid waste collect and transfer stations starting October 1, 2009 and will continue indefinitely.

Shelton hours will be reduced by 2 days, remain open 5 days per week.

Union and Hoodspout will be reduced by 1 day each per week, remain open 2 days per week each.

Belfair will be reduced by 2 days, remain open 5 days per week.
